

The Montana Broadband Program
TRIBAL BROADBAND SUMMIT
September 10 & 11, 2014
in Helena, MT

SAVE THE DATE

The Montana Broadband Program announces an upcoming Tribal summit to share the lessons learned and best practices from around the state.

Please save the dates : September 10th & 11th in Helena. The Montana Broadband Program will provide details about the summit later this summer.

You may also contact the Montana Broadband Program, Trudy Skari at 406-444-2601, or tskari@mt.gov.

The Montana Broadband Program, in the Montana Department of Administration, State Information Technology Service Division, in partnership with the Federal Department of Commerce, National Telecommunications and Information Administration (NTIA), is working with Montana citizens to increase broadband awareness throughout Montana and Indian Country. As part of this effort, the Montana Broadband Program has conducted meetings with Montana Tribes to learn about broadband issues in Indian Country and to share information about resources.
